

**ORIGINAL**Applies to Ajo and Vicinity  
Gas ServiceSTATEMENT OF CHARGES  
GENERAL GAS SERVICERATES

In Opinion and Order No. 54709, dated October 10, 1985, the Commission approved the following rates to become effective for all services on and after November 1, 1986:

<u>Description</u>	<u>Rate</u>
Customer Charge: No MCF included in minimum	\$ 4.00 per month
Rate per MCF or any portion thereof	\$ 6.4658

GAS FUEL ADJUSTMENT

In Opinion and Order No. 52946, dated April 9, 1982, and prior Orders, the Commission approved a Gas Fuel Adjustment clause for the Company. The Commission in Decision No. 55163 dated August 21, 1986 authorized a negative fuel adjustor of \$1.5134 per MCF effective September 1, 1986 and in Decision No. 57227 dated January 17, 1991 authorized a negative fuel adjustor of \$0.488 per MCF effective February 1, 1991; however, future Commission authorized adjustment levels shall be in addition to the rates herein authorized.

BASE PERIOD COST

The base period cost per MCF of gas from which the adjustment is to be made is \$4.4234.

TAXES AND ASSESSMENTS

In addition to all other rates and charges authorized herein, the Company shall collect from its customers all applicable sales, transaction, privilege, regulatory or other taxes and assessments as may now or in the future apply.

Issued January 17, 1991 --Effective February 1, 1991

MAIN EXTENSION TARIFF

(continued)

3. Annual Survey

The customer may request an annual survey to determine if additional customers have been connected to and are using service from the extension. In no case shall the amount of the refund exceed the amount originally advanced.

4. Interest

All advances in aid of construction shall be non-interest bearing.

5. Refund

If after five (5) years from the utility's receipt of the advance, the advance has not been totally refunded, the advance shall be considered a contribution in aid of construction and shall no longer be refundable.

6. Ownership of Facilities

All facilities installed under main extension agreements shall be the sole property of the Company.

PROVISION OF SERVICECURTAILMENT

1. In time of shortage of gas deliveries which have the effect of impairing the Company's ability to render service in satisfaction of all its customers' requirements, curtailment of service by the Company shall, to the extent feasible, be effected in reverse order of the following requirements:

## Priority 1:

Residential, small commercial (less than 50 mcf on a peak day), schools, clinics, police protection, fire protection, sanitary facility, correctional facility, and emergency situation uses.

## Priority 2:

Large commercial (50 mcf or greater on a peak day).

## Priority 3:

Industrial requirements not specified in priority 4.

## Priority 4:

Industrial requirements where alternate fuel capabilities can meet such requirements.
